

# PUBLIC NOTICE

In order to better serve our customers, Citylink will be changing the Worley/Coeur d'Alene Link service schedule starting on Saturday, May the 1<sup>st</sup> 2010.

The Link bus will now make an additional southbound journey, from the Riverstone transfer station down to the CCRH bus stop in Worley; departing at 5:40AM. This run will operate seven days a week. It is expected that a significant number of morning commuters who work in Plummer and Worley will be able to take advantage of this expanded service.

Due to lack of patronage, the 3:00AM weekend service from Riverstone to the CCRH will be discontinued. Henceforth, the last bus for the CCRH will leave Coeur d'Alene at 1:40AM, (Friday and Saturday only).

Revised printed schedules are available from your bus driver, or on the web at: [www.idahocitylink.com](http://www.idahocitylink.com)
