

## KMPO Board Packet Agenda Item

September 6, 2017

TO: KMPO Board Members  
FROM: Glenn F. Miles, Executive Director  
SUBJECT: 2017-2021 KMPO TIP **Amendment #15** ITD Request for Administrative Modification to Increase funding for STP Urban Projects Funded through Federal Highway Administration.

### **KMPO 2017-2021 Transportation Improvement Program Amendment #15, Administrative Modification to Include STP Urban funding increases to two Projects: KN 12308 and KN 13864**

KMPO has been requested by the Idaho Transportation Department and LHTAC to approve an increase funding for two currently programmed projects. Government Way – Hanley to Prairie is a current year project for 2017 that was substantially over the engineers estimate when it went out to bid. This increase will help support funding for the new Engineers estimate. The Meyer Road & Boekel Road Intersection project is in Preliminary Development requiring additional funds in order to award the negotiated engineering and design contract. In both cases, this amendment will be to obligate funds in the FY 2017 Program year.

Key Number	Program		Route, Project Name	Program	FY17 Federal-Aid Scheduled Funding		Revision
	District	Year			Current	Revised	
12308	1	2017	SMA-7155, N GOVERNMENT WAY; HANLEY AVE TO PRAIRIE AVE	STP-Local Urban	4,993	9,993	Increase PL \$5k
12308	1	2017	SMA-7155, N GOVERNMENT WAY; HANLEY AVE TO PRAIRIE AVE	STP-Local Urban	3,714,067	4,195,075	Increase CN \$481k
13864	1	PREL	INT MEYER RD & BOEKEL RD, RATHDRUM	STP-Local Urban	132,000	294,000	Increase PC \$162k

Since these projects are current year projects; have been through the public involvement process; and do not modify the design, concept or scope of the projects, an administrative amendment is appropriate and therefore approved.

The Kootenai Metropolitan Planning Organization, approves this Administrative Amendment #15 as identified above effective September 6, 2017.

Due to unexpected difficulties in posting to our website this week, this amendment will be delayed in its posting on the internet. The amendment will be posted on the KMPO website at [www.kmpo.net](http://www.kmpo.net) by close of business on Monday September 11, 2017
