 SUBJECT: 2019-2025 KMPO TIP Amendment #10 revising one project to modify funding year, funding level and source for KN 19520 State, District 1 FY 2019 Bridge Repairs

KMPO 2019-2025 Transportation Improvement Program Amendment #10: Revising Key Numbers 19520 State, FY 2019c D1 Bridge Repair. This amendment to KN 20795 adjusts funding levels and sources by increasing the level of funding from \$ 2.6 to \$ 5.5 million Lifetime Cost; changing the source from State funds to Federal Bridge Preservation Program; and advances the project from FY 2020 to FY 2019.

KMPO is administratively amending the 2019-2025 Transportation Improvement Program to revise the funding source, funding level and advancement to FY 2019. KN 19520 is a grouped bridge project that is not specific to one bridge location in District 1, preserves existing structures, and are relatively small scale, which do not require a formal amendment process.
