**Transportation Improvement Program
Notice of Availability and Public Comment Period**

A draft of the Kootenai Metropolitan Planning Organization's (KMPO) seven-year Transportation Improvement Program (TIP) 2020-2026 is now available for public review and comment. The TIP is a multi-year funding program document that lists federally and non-federally funded transportation improvements proposed by local jurisdictions, highway districts, Kootenai County, Idaho Transportation Department and the Coeur d' Alene Tribe during the next five years. This document and review period includes Kootenai County's 2020 Program of Projects (POP) using Federal Transit Administration's Section 5307 funding to support of public transportation activities in the Coeur d' Alene-Post Falls Urbanized area. Kootenai County has completed their public notice and public involvement activities for public review and comments. The results from Kootenai County's process has been incorporated into the TIP and will be used to satisfy the POP requirements as required by the Federal Transit Administration.

To view or download the TIP, go to www.kmpo.net or call KMPO at (208) 930-4164 for a copy. The comment period is from Wednesday July 17, 2019 through Thursday, August 17, 2019. All comments must be received by KMPO no later than Thursday August 17, 2019 through one of the following options: email kmpo@kmpo.net; mailing or delivering to KMPO, 250 Northwest Blvd. Suite 209, Coeur d' Alene ID 83814; calling (208) 930-4164; or going on www.itd.idaho.gov/itip/draft.htm for an opportunity to review and comment on individual projects elsewhere in the State of Idaho. The public comment period provides an opportunity for the community to review the proposed use of State and Federal transportation grant funds over the next seven years prior to approving the program of projects. Comments received during the public comment period will be provided to the KMPO Board for their consideration prior to adoption of the 2020-2026 TIP. KMPO will be holding a public open house on Tuesday August 13th from 4:00 p.m. to 7:00 p.m. to review the program and provide public comments during the public comment period. The Open House will be located at KMPO 250 Northwest Blvd, Suite 209, Coeur d' Alene, ID 83814

The KMPO Board will be considering an Action Item to approve the 2020-2026 Transportation Improvement Program on Thursday September 12, 2019 at their regular Board meeting, located at 408 N. Spokane Street, Post Falls, ID starting at 1:30 p.m. in the City of Post Falls City Council Chambers. An opportunity to provide comment on the TIP will be provided at the meeting.
