									Updated 11-12-19	

This project identified above will provide substantial safety and security improvements on U.S. 95 with the closure of an at-grade intersection and redirecting traffic to the new U.S. 95/SH53 Interchange. The project will also contribute to meeting the ITD performance measures related to highway safety by eliminating the chance to fatalities and collisions at the current location.

The Kootenai Metropolitan Planning Organization, approves this Administrative **Amendment #26** as identified above effective **November 12, 2019**.

This amendment will be posted on the KMPO website at www.kmpo.net on **November 12, 2019**.
