TO: Jeanette Finch, ITD, OTI  
 FROM: Glenn F. Miles, Executive Director  
 SUBJECT: **FY 2019, FY 2020 and FY 2021 transfers between previously obligated and current projects.**

This action re-aligns current funds among previously obligated projects that are still currently active. The fund transfers balance between identified projects and shown in the table below. Since these projects are currently obligated based on a previously approved Transportation Improvement Program (TIP) and are not creating a new project or new scope, the transfers do not material impact their existing design, concept or scope.
