SUBJECT: 2021-2027 KMPO TIP Amendment #18 Request to modify funding for two projects KN 12310 increasing \$460,360.00 for Right of Way in the FY 2021 Program Year and Modifying KN12433 transferring \$400,000 from RW to PC in the FY 2021 Program Year

Kootenai Metropolitan Planning Organization (KMPO) has received additional End of Year funding through the Idaho Transportation Department (ITD) and the Urban Balancing Committee (UBC) for both KN 12310 and KN 19344. This necessitates an amendment to the currently active FY 2021 program year. The funding for this amendment is derived from current State and/or Federal funds released from other projects, as well as additional funding from the End of Year funding received by ITD.

The 2021-2027 Transportation Improvement Program **Amendment #18** provides for the amendment to an existing or previously programmed project by Administrative Modification where the changes do not materially change the design, concept, or scope of the original project previously obligated or currently in the program. This amendment also meets the threshold requirements for an Administrative Modification as the modifications are being supported with available funding that has been either previously programmed for the same purpose or approved by the ITD Board based on available State and/or Federal Funding.

ITD certifies they have State or Federal funds available and have been authorized by the ITD Board for the use of those funds on the project identified above. The Kootenai Metropolitan Planning Organization, approves **Amendment #18** effective September 9, 2021.

This amendment will be posted on the KMPO website at www.kmpo.net on **September 9, 2021**.
