FROM: Glenn F. Miles, Executive Director

SUBJECT: 2021-2027 KMPO TIP **Amendment #21** Request to increase funding for one FY 2022 project **KN21938** U.S. 95 – Ironwood to SH-53 into the FY 2022 Program Year.

This project was added to the FY 2022 program year as a result of ITD Board action in September. This request is to increase construction funding in the amount of \$325,418. This necessitates an amendment to the currently active FY 2021 Transportation Improvement Program FY 2022 program year. The funding source for the amendment is derived from currently programmed funds, as well as State funds identified from Statewide Program fund balancing by ITD.

**KN 21938 U.S. 95 Ironwood to SH-53 Signal Upgrades FY 2021 project forwarded to FY 2022 with an increase in budget \$325,418 with a total revised cost of \$2,775,418**

The 2021-2027 Transportation Improvement Program **Amendment #21** provides for the amendment to an existing or previously programmed project by Administrative Modification where the changes do not materially change the design, concept, or scope of the original project previously obligated or currently in the program. This amendment also meets the threshold requirements for an Administrative Modification as the modifications are being supported with available funding that has been either previously programmed for the same purpose or approved by the ITD Board based on available State and/or Federal Funding.

ITD certifies they have State or Federal funds available and have been authorized by the ITD Board for the use of those funds on the project identified above. The Kootenai Metropolitan Planning Organization, approves **Amendment #21** effective October 27, 2021.

This amendment will be posted on the KMPO website at [www.kmpo.net](http://www.kmpo.net) on or about **October 27, 2021**.
