SUBJECT: 2021-2027 KMPO TIP **Amendment #22** Request to add FY 2022 project **KN22875** Lancaster & Huetter Roundabout into the FY 2022 Program Year.

This amendment is to add KN 22875 Lancaster & Huetter Road Roundabout Local Safety project into the FY 2022 program year. This request is to add Preliminary Engineering and Design funding in the amount of \$199,000. This necessitates an amendment to the currently active FY 2021 Transportation Improvement Program FY 2022 program year. The funding source for the amendment is derived from offsets of currently programmed funds.

KMPO Modification

The 2021-2027 Transportation Improvement Program **Amendment #22** provides for the amendment to an existing or previously programmed project by Administrative Modification where the changes do not materially change the design, concept, or scope of the original project previously obligated or currently in the program. This amendment also meets the threshold requirements for an Administrative Modification as the modifications are being supported with available funding that has been either previously programmed for the same purpose and based on available State and/or Federal Funding.

ITD certifies they have State or Federal funds available and have been authorized by the ITD Board for the use of those funds on the project identified above. The Kootenai Metropolitan Planning Organization, approves **Amendment #22** effective November 8, 2021, 2021.

This amendment will be posted on the KMPO website at www.kmpo.net on **November 8, 2021**.
