SUBJECT: 2022-2028 KMPO TIP **Amendment #1** Request to modify the FY 2022 program year to increase funding for KN 21935 CdA River Bridge East and West Bound lanes Restoration.

This amendment is to add \$360,000 to KN 21935 CdA River Bridge East and West Bound for additional PE/PC. This necessitates an amendment to the currently active FY 2022-2028 Transportation Improvement Program FY 2022 program year. The funding source for the amendment is derived from offsets from KN2797 and KN 20678.

The 2022-2028 Transportation Improvement Program **Amendment #1** provides for the amendment to an existing or previously programmed project by Administrative Modification where the changes do not materially change the design, concept, or scope of the original project previously obligated or currently in the program. This amendment also meets the threshold requirements for an Administrative Modification as the modifications are being supported with available funding that has been either previously programmed for the same purpose or based on available State and/or Federal Funding.

ITD certifies they have State or Federal funds available and have been authorized by the ITD Board for the use of those funds on the project identified above. The Kootenai Metropolitan Planning Organization, approves **Amendment #1** effective January 4, 2022.

This amendment will be posted on the KMPO website at www.kmpo.net on **January 4, 2022**.
