SUBJECT: 2022-2028 KMPO TIP **Amendment #15** Request to modify the FY 2022 Transportation Improvement Program by increasing KN 23028 Prairie Avenue – SH-41 to Meyer Road \$400,000 in PE/PC

This amendment provides additional funding to a previously programmed project KN 23028 Prairie Avenue – Meyer Road to SH-41. The project is currently in Preliminary Development and the initial cost estimates appear to be low based on the current economic conditions in Kootenai County. It is anticipated the revised PE/PC, based on 15% of anticipated construction cost would make the currently programmed PE/PC funding inadequate to complete the work currently obligated at \$680,000. This amendment increases PE/PC IN FY 2022 by \$400,000 to provide funding obligation availability to award a contract for professional engineering services in July. The funding offset will be from KN 19344 Early Corridor Preservation FY 2022 in the amount of \$400,000 PE/PC.
