This project will reconstruct the median on I 90 between milepost 32 and 36 in order to install concrete barrier in the median. The installation of this barrier will increase the safety of the Interstate by providing positive separation between the eastbound and westbound travel lanes to reduce head-on collisions by traffic crossing the median into opposing traffic. **Amendment #3 2023 TIP 2-27-2023 +\$500,000 Leading Idaho; Amendment #14 2023 TIP 6-13-2023 + 250,000 CN Safety**

The 2023-2029 Transportation Improvement Program **Amendment #14** provides for the amendment by Administrative Modification where the does not materially change the design, concept, or scope of the original project, and conforms to approved existing plans and programs This project has been through the required and concluded public involvement processes prior to their original obligation, and ITD certifies by their submission to KMPO for amendment to the current 2023 program year, that sufficient funds are available for obligation from State Safety funds. Based on the representation by ITD Tuesday June 13, 2023 the Kootenai Metropolitan Planning Organization approves **Amendment #14 effective June 13, 2023**.

This amendment will be posted on the KMPO website on Tuesday June 13, 2023.
