Notice of Proposed Amendment # 6
I-90/U.S. 95 Interchange, Emma Avenue to Neider Avenue
Modification of Scope and Budget

The Kootenai Metropolitan Planning Organization's (KMPO) has received a request from the Idaho Transportation Department (ITD) to amend the current design, concept, scope and budget of the current I-90/ U.S 95 Interchange Project. The proposed changes include:

1. I-90, US-95 Interchange: Replace the US-95 Interchange, widen I-90 east to 4th Street, widen US-95 from Emma Avenue to Appleway Avenue, Environmental through Final Submittal (June – December 2026)
2. US-95, Appleway Avenue to Neider Avenue: Construct the Appleway Grade Separations, widen US-95 from Appleway Avenue to Neider Avenue, construct Appleway Avenue access improvements – Environmental Review through Final Submittal (May 2027 – January 2028)
3. 4th Street, I-90 to Anton Avenue: Add capacity and turning lanes on 4th Street from I-90 to Anton Avenue, and on Appleway Avenue near the 4th Street intersection

This amendment allows for the continued progression of the design from intermediate to final, additional environmental documentation to meet the Federal Highway Administration NEPA requirements, production of right of way plans, and ongoing stakeholder engagement. Construction is anticipated through future funding revenue sources. Additional funding request: \$7,000,000 for design, engineering, environmental and final plans. Life Time Project Cost \$120,850,000 (estimate).
